gium. The American Photographic Porcelain Company.

No. 781 BROADWAY, NEW YORK, Having secured their novel and ingenious invention by American and European patents, are fully prepared to execute all orders for "MINATURE LIKENESSES OF PER-ONS ON CHINA," presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being randered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plann surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with fault-less accuracy, and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as URNS, VASES, BREAKFAST CUPS, TOI-LET ARTICLES, &c ;

in domestic use.

In order to furnish facilities for the gratification of Godey's Lady's Book ; In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those pations of the Fine Arts desirous of having Portraits on forcelain, the Company have imported from Europe a offication of superior porcelain goods, manufactured to their own order, which they seil at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to attord People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, who are mable to visit personally the Atalier and Galleries in lew York: Persons sending a photograph, ambrotype, or deguerrectype to the office of the Company in Yew York, accompanied by five boulars, will receive a return by express, free of other charge, a righly ordened threakfast Cup and saucer, with the portrait thansferred thereon.

By transmitting a daguerrectype and the boulars, Peterson's Lady's National Magazine; Arthur's Home Magazine; By transmitting a daguerrectype and TEX DOLLARS, they will secure in like manner, a handsome French tase or Toilet Article, with the portrait reproduced by Tase or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerrectypes and fifteen obtans, they will receive in return a pair of rich wires Vases, with the portraits executed equal to minature paintings; and, in like manner, portraits can be reproduced on porcelain wares or Vases of every quality of finish, ranging in p ice from Twenty to One thindred dollars the pair.

MANHOOD, HOW LOST, HOW RESTORED. Just Published, in a Sealed Envelope, A LECTURE ON THE NATURE, TREATMENT AND RA-DICAL CURE OF SPERMATORRHOEA, or Seminal Weakness, Sexual Debility, Nervousness and Involun-tary Emissions producing Impotency, Consumption and

Mental and Physical Debility. BY ROB. J. CULVERWELL, M. D., The important fact that the awful consequences of self-abuse may be effectually removed without internal medicines or the dangerous applications of caustics, in-struments, medicated bougies, and other empirical destruments, medicated bougers, and other empirical de-vices, is here clearly demonstrated, and the entirely new and highly successful treatment as adopted by the celebrated auther fully explained, by means of which every one is enabled to care himself perfectly, and at the least possible cost, thereby avoiding all the adver-tised nostrums of the day. This Lecture will prove a boon to thousands and thousands.
